*The Flyer Exposes
your business to
an exact and
targeted market!*

This Could Be Your Flyer

This could be your flyer inserted in the Brownsville Chamber of Commerce monthly newsletter. The "Progress" is published monthly and is individually mailed to each Chamber Member.

Included with each mail out is the monthly calendar of events and other inserts. The Brownsville Chamber is now offering you, the opportunity to include your insert.

Your business, product and/ or service flyer will reach more than 2,300 business community leaders (a targeted market) who are interested in doing business with fellow members of the Brownsville Chamber of Commerce.

How does this work?

Insert cost is \$200.00 for an 8 1/2 x 11" sheet, that you provide. We will limit the number of flyers per month to three so it is on a first come first serve basis.

You will provide the Chamber with 2,150 flyers and the Chamber will insert and mail your advertisement.

- Under no circumstances will political flyers be considered.
