

March 7, 2008

The Honorable Kay Bailey Hutchison
United States Senate
284 Russell Senate Office Building
Washington, DC 20510-4304

Dear Senator Hutchison:

As a member of the Alliance for I-69 Texas, I would like to thank you for your longstanding support of I-69. Strong congressional support over the years has been absolutely critical to successful efforts to direct almost \$60 million in federal funds to Texas to advance the development of I-69. Equally important to the evolution and advancement of I-69 in Texas has been the enactment of legislative provisions that provide TxDOT with flexibilities in terms of project development and financing.

The Alliance was formed nearly 15 years ago by public and private sector leaders in 34 counties in East and South Texas in order to advance the development of I-69. Alliance leaders continue to be united in their commitment to build I-69. While insufficient federal gas tax revenue has led the State of Texas to pursue other means to help in the development of I-69, there still remains a critical role for the federal government in developing I-69.

The Alliance for I-69 Texas, in concert with TxDOT, has identified a Congressional funding request for \$10 million in FY09 for the continued development of I-69 in Texas. As a member of the Alliance, I respectfully ask that you support this request.

If you have any questions about this request, please contact our Washington Office, Meyers & Associates, at 202-484-2773.

Thank you for your continued support of I-69.

Sincerely,

Angela R. Burton, IOM
